CROSS COUNTRY SKIING

Our cross country skiing trails are perfect for enjoying the great outdoors and the wonder of Wisconsin winters.

TRAIL 2

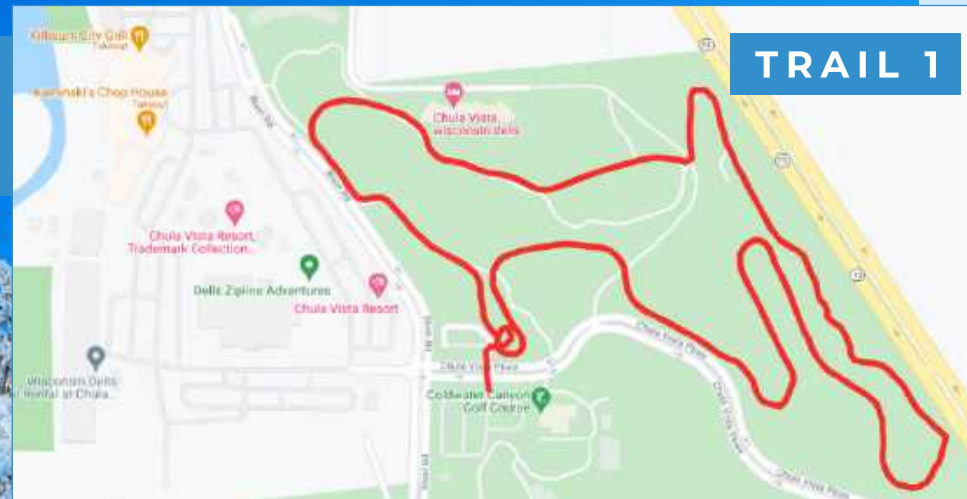

Beginner Level

We call Trail #2 the “Deer Crossing” trail, as our population of whitetail deer is seen here almost daily.

Distance: 3.4 km

All activities, prices and hours are subject to change and are weather permitting.

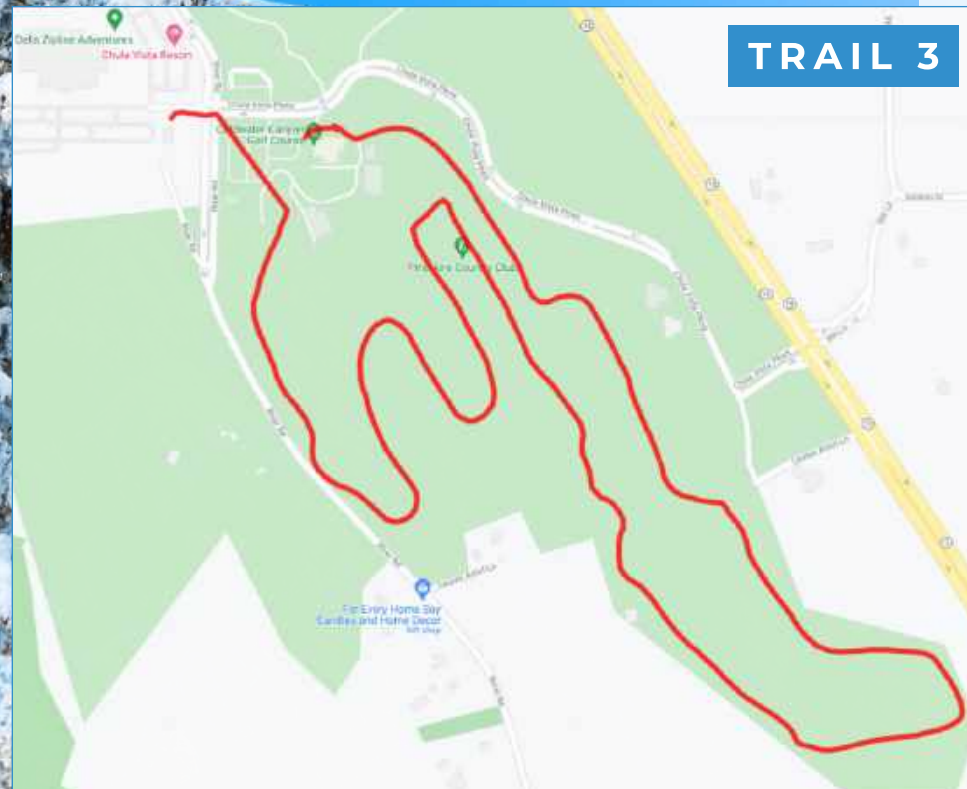

TRAIL 1

Intermediate Level

Trail #1 is a completely wooded setting with lots of wildlife. Groomed for both free style and classic style skiing, a few uphill and downhill runs make Trail #1 the longer and more challenging of our three courses.

Distance: 2.3 km

TRAIL 3

Beginner-Intermediate

Trail #3 is set amidst our original golf course (built in 1906) and river canyons, surrounded by the 100-foot Norway and White pines that tower over our landscape. The scenery is simply amazing.

Distance: 3.4 km

All-day trail passes are available for \$7 per person.

All trails start and end at Cold Water Canyon Clubhouse.

Open on Saturdays 9 a.m. to 4 p.m. For more information, please call 608-254-8489.
